Description

State of New Hampshire Job Posting
DEPARTMENT OF ENVIRONMENTAL SERVICES
WATER DIVISION / WATERSHED
222 INTERNATIONAL DRIVE, SUITE 175, PORTSMOUTH, NH 03801
ENVIRONMENTALIST II
LABOR GRADE 19
Position #TMPPT1982

The State of New Hampshire, Department of Environmental Services, Water Division, Wetlands has a full time vacancy for an Environmentalist II - Tidal Crossing Assessment Coordinator.

Summary:

To coordinate and implement field investigations in accordance with “New Hampshire’s Tidal Crossing Assessment Protocol” as well as be responsible for data management, data analysis, and reporting. *This position is based at the Department of Environmental Services -Portsmouth Field Office. Position is 29 hours per week for 1 year.*

Responsibilities:

Plans and coordinates environmental programs by conducting inspections, surveys and special projects.

Conducts surveys of stream crossings using a standardized protocol designed for this purpose, and enters the collected data on devices designed to store data for this purpose.

Analyzes the effects of land use activities on coastal habitats including salt marsh vegetation and rare plants and exemplary natural communities.

Provides partial supervision of other field personnel doing work, including assigning job duties, providing training, giving instructions, and checking work.

Conducts data management and data publication activities, including but not limited to data entry, data quality assurance checks, metadata development, data organization processes, and other tasks.

Assists with development of information, maps, graphs, pictures, text, social media, etc. for reporting purposes and/or other outreach initiatives.

Prepares technical reports, field inspections reports, and planning documents to achieve objectives of Coastal Habitat Program.

Continually seek to improve practices to add quality and value in support of the Department's mission while identifying and eliminating unnecessary or redundant actions.

MINIMUM QUALIFICATIONS:

Education: Bachelor's degree from a recognized college or university with major study in environmental science, natural resources, environmental engineering, hydrology, resource management, environmental law, biology, forestry, wildlife, chemistry, community development/planning, geology, geography or a related field. Each additional year of approved formal education may be substituted for one year of required work experience.

Experience: Two years' experience as an Environmentalist or in environmental science, geospatial science, natural resources planning or related field. Experience using geospatial information systems.

License/Certification: Must possess a valid driver's license.

Special Qualifications: Familiarity with salt marsh ecology or freshwater stream habitat assessment methodologies or engineering surveying methodologies. Experience with environmental field work.

DISCLAIMER STATEMENT: The supplemental job description lists typical examples of work and is not intended to include every job duty and responsibility specific to a position. An employee may be required to perform other related duties not listed on the supplemental job description provided that such duties are characteristic of that classification.

Employees may be required to pay an agency/union fee at a future date. Criminal background and driving record review required.

In order to receive credit for post-secondary education, a copy of official transcripts with a seal and/or a signature should be included with the application. If copies of transcripts have been requested please reference this and have them forwarded to the Human Resources office for the agency listed above.

For further information please contact Kevin Lucey, Environmentalist IV at kevin.lucey@des.nh.gov or at 603-559-0026. Use apply button or submit a fully completed state application and accompanying documents by the closing date to NHDES PO Box 95 Concord NH 03302-0095 Attn. Human Resources. You may also contact Raymond Wilson, HR Coordinator at 603-271-1496 or at raymond.wilson@des.nh.gov.
